Presenter(s): Kelly McCall

Topic: Early mobility in the ICU

5 1. Introduction: Did the introduction capture your interest? Was necessary background given? Was a clear purpose conveyed?

Yes, Kelly properly opened the presentation & explained her interest in the topic

5 2. Organization: Was there a clear organization? Were transitions between sections clear and effective? Did the organization lead to a clear conclusion?

love it, simple conclusion that emphasized points

5 3. Content: Did the speakers support their points? Was the supporting material relevant, up to date?

Yes!

4 4. Visual Aids: Were visual aids used effectively and appropriately, carefully prepared?

maybe could have benefitted from print out powerpoint to be able to take home/take notes

5 5. Conclusion: Were key points reinforced? Was a sense of closure provided? If appropriate, was a course of action proposed?

5 6. Delivery: Was/were the speaker(s) natural, enthusiastic? Did they speak clearly? Were appropriate gestures, posture, expressions used?

5 7. Discussion: Were questions answered accurately, clearly, effectively?

8. General Comments (use back):

I thought Kelly did a wonderful job explaining a PT's role and how influential we are/ what role we play in the ICU patient's care.
