"Falls Risk Factors, Outcome Measures, and Interventions" Capstone Presentation Survey

By: Anjali Paintal

Thank you all very much for attending my inservice presentation and lab in Guatemala. I appreciate your flexibility and willingness to participate, even though my presentation did not go as planned.

Purpose of Survey:
- Collect feedback regarding content and delivery of the presentation
- Assess the extent to which audience members achieved presentation objectives
* Required

1. Email address *

   _____

To what extent did the presentation represent the following features (on a scale from 0-5)?
