

**Exploring the Transition Experience from Pediatric to Adult Healthcare
Systems from the Perspective of Individuals with Disabilities: Volunteer Participant Feedback Survey**

Thank you for participating in this project! I would like to get your feedback so that I can improve how information is collected and used in the future. Your experiences will help me develop more (and better) tools to use, as I pursue personal and professional goals related to healthcare transitions. Your feedback is very valuable and, of course, anonymous.

Your name: _____

Date: _____

Please rate the following items, by making a check mark, on a scale of 0 to 10 (0= not at all and 10= excellent):

	0	1	2	3	4	5	6	7	8	9	10
Overall purpose of project was communicated clearly.											
Questionnaire:	0	1	2	3	4	5	6	7	8	9	10
Questionnaire questions were easy to understand.											
Questionnaire questions were fitting for the project.											
Questionnaire questions covered project topic well.											
Number of questions on the questionnaire was enough (i.e., not too many and not too few).											
Questionnaire questions allowed for explanations.											
Interview:	0	1	2	3	4	5	6	7	8	9	10
How comfortable were you with the on-line format of the interview?											
How easy was it to understand and interact with interviewer?											
How much do you feel the interview added to your questionnaire responses?											
Do you feel the interview covered enough of the project topic?											
Was the length of the interview (about 45 minutes) about right?											

Please indicate 'Yes' or 'No' for the following questions:

1. Would you have liked fewer questionnaire questions? Yes___ No___
2. Would you have liked more questionnaire questions? Yes___ No___
3. Would you have liked the interview to be shorter? Yes___ No___
4. Would you have liked the interview to be longer? Yes___ No___
5. Would you have liked to be part of a second interview that included other participants? Yes___ No___
6. Would you be interested in helping develop questionnaire and/or interview questions in the future? Yes___ No___

Feel free to give any other feedback or make comments here:

THANK YOU!
