

Patient Education Material Evaluation

After reading the patient handout and viewing the demonstration videos, please fill out this quick feedback form to help us improve our education material. Thank you in advance!

What baby caretaking tasks do you find the most difficult or awkward to perform in your life?

What tips from the handout did you find the most helpful to you?

Are there any baby caretaking tasks you would like included in the handout and videos that were not featured?

How **understandable** were these education materials? (circle a number)

Poor					Moderate					Good			Excellent
1	2	3	4	5	6	7	8	9	10				

How **practical** were these education materials? (circle a number)

Poor					Moderate					Good			Excellent
1	2	3	4	5	6	7	8	9	10				

How could the handout be improved?

How could the demonstration videos be improved?

Thank you for your feedback!
